

Say NO to assisted suicide

Labour leader, Sir Keir Starmer, has promised to give an assisted suicide Bill with government time to pass into law in England and Wales. This will undermine the right to life and put vulnerable people at risk of coming under pressure to end their lives prematurely.

We, the undersigned, call on MPs to reject any proposal to legalise assisted suicide. We Say NO to Assisted Suicide. Signatories must be 18 or over. Please PRINT your details:
